Work Experience

Ethical Hire

Remote

Fullstack Developer (Full-time)

April 2025 – Oct 2025

- Delivered 9 core features, enabling the product's first successful launch readiness for 500+ users
- Owned development post-handoff and led the project to successful launch within 6 months

Ethical Hire

Remote

Fullstack Developer (Part-time)

Feb 2025 – June 2025

- Built a custom lead qualification microservice integrated with ServiceM8, GoHighLevel, and WhatConverts, reducing follow-up delays by 65% and eliminating 3 disconnected reports
- Provide support and guidance to a Junior Developer during and post-handoff

Spraken Takken Industries

Remote

Senior Backend Developer (Full-time)

Aug 2024 – Dec 2024

- Led end-to-end MVP development and delivered the product launch in 5 months, meeting the business' planned go-to-market date
- Trained and mentored 4 junior developers, improving delivery speed and code quality through peer reviews and pair programming
- Monitored and optimized the codebase and server health of 10 microservices to ensure reliability, uptime, and scalable performance

Brylliant Solutions

Remote

Lead Software Engineer (Full-time)

April 2024 – April 2025

- Served as the technical Webflow specialist for retainer clients, resolving 1,000+ complex tickets and implementing custom code solutions beyond native Webflow capabilities, improving turnaround time and production reliability

Webflow Developer (Part-time)

July 2023 – April 2024

- Provided on-demand development support for complex API integrations and custom Webflow solutions, resolving critical feature gaps and accelerating delivery timelines for 8 months

The Freelance Movement Tribe

Remote

Senior Fullstack Developer (Full-time)

July 2023 – April 2024

- Led end-to-end MVP development and delivered the product launch in 6 months, meeting the business' planned go-to-market date
- Trained and mentored 2 junior developers, improving delivery speed and code quality through peer reviews and pair programming

Fasttrack Solutions Inc.

Remote

Mid-Level Fullstack Developer (Full-time)

June 2022 – June 2023

- Owned and resolved 500+ tickets across multiple projects, delivering both feature development and critical fixes

Netfluence Software Development

Remote

Junior Fullstack Developer (Full-time)

August 2021 – April 2022

- Assisted my Seniors and Team Leaders for development and deployment reducing the development time by 20%
- Earned 6 HubSpot certifications, strengthening the company's marketing and technical credibility with certified expertise
